

MANUFACTURER'S DECLARATION (REACH) - Intedoor spol. s r. o.

In accordance with Article 33 (1) of Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), Intedoor spol. s r.o. (ID: 25409549), with its registered office at Československé armády 348, 47154 Cvikov, Czech Republic, is obliged to inform our customers about defined chemical substances contained in our products, either manufactured in the EU or exported to EU Member Countries. A product containing substances meeting the criteria of Article 57 which have been identified there in accordance with Article 59 (1), in concentrations above 0.1% w/w, Intedoor spol. s r. o. is obliged to provide sufficient information to enable a safe use of such product.

Following the above obligations within the SVHC substance identification process, we have:

- Evaluated the available technical data related to the presence of SVHC's in our products or their ingredients.
- Communicated with our suppliers to exclude, resp. to confirm the presence of SVHC's in any component of our products.

Based on the results of this procedure, we confirm that the products we currently supply to the market do not contain any SVHC substances in concentrations above 0.1% w/w.

Company Intedoor spol. s r.o. undertakes to continue to meet the requirements of Directive No. 1907/2006 / EC (REACH) and to inform customers about changes in products.
